Outline of Proposal (what is proposed, why it is needed, what will funding be used for?):

Extra sheet(s) can be attached if needed. Information on existing work/knowledge in the proposed area is always useful.

Amount of funding sought from NBFFF (NZ$s):

Other funds being used for proposal (ie., total cost, how else funded):

Period of proposal (ie., date of workshop, when project intended to start, when completed):

Output(s) of proposal (eg., workshop, handouts, report etc):

Date of intended reporting back to NBFFF:
If funding is granted, the NBFFF expects a brief report about the proposal, either on completion, or annually (if work lasts for more than 1 year). Please state above when such a report will be delivered.
