

# Sawing Field Day

Wednesday, November 20<sup>th</sup> at Milligans.

**Meet at Milligan Road, Dipton West starting at 10am (bring your lunch).**

Paul Marshall, Senior Forestry Advisor, Otago Southland, Te Uru Rākau – New Zealand Forest Service, has kindly offered to trial saw logs of several varieties of trees including the stringybark Eucalypts: *Eucalyptus blaxlandii* and *Eucalyptus youmanii* plus *Alnus rubra*, *Eucalyptus johnstonii* and *Eucalyptus cordata* all grown on the Milligan property all over 30 years old.

Many of us have these species and it will be interesting to see that timber potential of these more obscure varieties.  
*Graham Milligan, Phone 0274 880 870.*
